Paramount Party at the Paramount Casino

It has been a year since Bobby Flynn has taken over the Paramount Casino, and a good year indeed! After purchasing the casino, Bobby has quickly renovated the lobby and lounge in order to make the Paramount the largest and most extravagant casino on the Las Vegas strip. Bobby has spared no expense in order to have the casino live up to it's name! In celebration of the casino face-lift, a huge party is planned tonight at the casino. There will be no limits at the gambling tables, insuring that the casino remains be a hotbed of activity. Among those expected to be in attendance are :

Bobby Flynn–Casino Owner. As the owner of the largest and grandest casino on the Las Vegas strip, Bobby is a man you don't want to betray—the result could be deadly!

Alanna Flynn–Casino Owner's Wife. A former beauty queen, Alanna now rules the entertainment side of the Paramount. Alanna's time in the lounge has made her knowledgeable about much more than show tunes.

Madison Flynn–Floor Manager. Madison is aware that the profits from casino are dwindling… and they can't be attributed to gambling losses. Madison' job may be on the line if she can't find the thief.

Cole Conway–Sports Book Manager. Overseeing the casino sports book, Cole knows who is truly winning (and losing) in the Paramount.

Jack Black–Card Dealer. Jack, an unpopular employee, has been spotted in some secured areas of the casino. Could Jack be a thief or was he tracking one?

Paul Piano–Lounge Singer. Late nights in the lounge leave Paul singing a lonely tune. Trouble is Paul wants something his bankroll can't afford.

Elvis–Impersonator. Impersonations have gotten Elvis far in life. So far that even Elvis' closest confidants don't know who he truly is.

Mimi Martini–Cocktail Waitress. A money-hungry cocktail waitress, Mimi will do anything (and use anyone) to advance herself out of the casino lounge.

Jim Beam– Bartender. Although Jim is known to be a ladies man, lately Jim has been out of luck with love.

Lucy Legs–Show Girl. A cruise line performer who has dropped anchor in Las Vegas, it is no secret Lucy desires to be married to Elvis rather than by him.

Security Sam–Security Manager. Sam polices who goes into and out of the casino and is ultimately responsible for any thefts the casino may incur. Sam's job is on the line if someone is not caught for the recent heists.

Senator Justice–US Senator. As a senator who frequents Las Vegas, this politician has some ties to convicts–but that doesn't make him one!

Jacquelyn Justice–Senator's Wife. A woman who will do anything to save her husband's career, Jacquelyn might just care more about being a senator's wife than she cares about the senator.

Ace High– Gambler. Known for his high bets and his big money, whatever lucky lady lands Ace as her husband will have hit the jackpot.

Hot-Slot Sal– Gambler. Always on a winning streak at the slots, could the casino losses be attributed to Sal's successes?

Full House Frank–Gambler. As one of the wealthiest men in Vegas, Frank feels he doesn't get the respect he deserves. How far will Frank go to get it?

Hustling Hailey–Gambler. Although Hailey has spent much time in the lounge with Paul, her latest conquer has been gaining Ace High.

Colleen Candy–Classy Call Girl. Colleen's clients are plenty and plenty rich. What may be more shocking than who is paying Colleen's salary may be who can't afford the rates she's charging.

Agent Avery–FBI Agent. Agent Avery is here doing a random inspection the casino. If anything goes wrong at the Paramount Casino party, Avery will be the one to take care of business.

Jamie Journalist–Reporter. Jamie needs to stay a step ahead of the rest if they hope to break the story that is about to happen tonight and not to be a victim to it.

MURDER in SIN CITY

ACE HIGH

As a very wealthy man who likes to gamble, you are one of the most valued patrons at The Paramount Casino.

What Bobby Flynn (the casino owner) doesn't realize is that while you have been gambling away all your money at his casino, you have been stealing it back from him with the help of Security Sam (the security officer). In return for a portion of the stolen funds, Sam has been providing you with security codes that allow you access a secured area of the casino where you are able to transfer money from the casino accounts and into your bank accounts without anyone detecting that the funds were taken. You were almost caught the other day when Madison Flynn (the casino floor manager) and Jack Black (a card dealer) saw you in the secure area. Thankfully, they have not said anything to you about being somewhere where you should not have been.

Stealing money is not something that is new to you. Years ago you were convicted of embezzling funds for your old friend, Senator Justice. Even though you were caught and convicted for your crime, you never named the senator as the reason (or the recipient) of the funds you laundered. Once elected to Congress, the senator was able to use his political clout to shorten your prison sentence. Currently, you continue to assist Senator Justice by arranging visits for Colleen Candy (a high-priced call girl) when visiting Las Vegas. In addition to simply arranging the visits, you are responsible for the payment of Colleen Candy's bills so that the money and the services rendered cannot be traced back to the senator and potentially jeopardize his career.

While frequenting the casino, you have started to have a romantic relationship with Mimi Martini (a cocktail waitress). Your relationship with Mimi started as a way to gain information on the happenings around the casino, but has since grown and you are falling in love with Mimi. With these elevated feelings apparent, Mimi makes it no secret that she longs to be wealthy and that she is expecting a wedding proposal from you soon.

With your financial status, you are used to women seeking you out because of your wealth. Hustling Hailey (another casino gambler) has propositioned you a number of times and you suspect that she, too, is after your fortune. Unfortunately, Hailey may have finally gotten rights to some of your money. Last night, after a few drinks in the bar, you bet your bachelorhood on a hand of blackjack. Hailey won the hand of blackjack and you were obligated to marry her. Immediately, you were married in the casino chapel by Elvis, the impersonator. Since Elvis was a friend of yours from jail, the wedding ceremony was free of charge. However, Elvis was angered when you joked about your past together. Quickly, without anyone hearing, but you assured Elvis that you would keep his criminal record a secret if he kept your past a secret as well.

Since you do not desire to be married to Hustling Hailey, you fear that the bet you made will cost you half of your fortune. In desperation to find a way out of the relationship, you bet all of your assets on a basketball game last night. Since you lost the bet, you are hoping that Hailey will leave you once she finds out you are broke. Although eventually, you will tell Hailey of your loss, you do not plan to reveal the truth at the upcoming Paramount Casino Anniversary Party. It is important to you to keep the respect of the people attending the party, as well as Mimi's romantic interest.

As the Paramount Casino Anniversary party is approaching, you are looking forward to attending! Although there will be a lot of high-stakes gaming, and you will not have the funds to participate, you look at the party as a great opportunity to explain your marital status to Mimi. Because Mimi knows the "ins" and "outs" of the casino social circuit, you are certain that she knows of your marriage by now and is not pleased.

Acting and Dressing Your Part: As one of the highest rollers at the Paramount Casino, you act and dress extravagantly, making sure to show your riches and jewels. Flaunt your style and let everyone know that you are the man that is keeping the casino in business—or so you'd like everyone to think. *For more information and ideas on how to dress for your night at The Paramount Casino, please see www.nightofmystery.com.
