Paramount Party at the Paramount Casino

It has been a year since Bobby Flynn has taken over the Paramount Casino, and a good year indeed! After purchasing the casino, Bobby has quickly renovated the lobby and lounge in order to make the Paramount the largest and most extravagant casino on the Las Vegas strip. Bobby has spared no expense in order to have the casino live up to it's name! In celebration of the casino face-lift, a huge party is planned tonight at the casino. There will be no limits at the gambling tables, insuring that the casino remains be a hotbed of activity. Among those expected to be in attendance are :

Bobby Flynn–Casino Owner. As the owner of the largest and grandest casino on the Las Vegas strip, Bobby is a man you don't want to betray—the result could be deadly!

Alanna Flynn–Casino Owner's Wife. A former beauty queen, Alanna now rules the entertainment side of the Paramount. Alanna's time in the lounge has made her knowledgeable about much more than show tunes.

Madison Flynn–Floor Manager. Madison is aware that the profits from casino are dwindling… and they can't be attributed to gambling losses. Madison' job may be on the line if she can't find the thief.

Cole Conway–Sports Book Manager. Overseeing the casino sports book, Cole knows who is truly winning (and losing) in the Paramount.

Jack Black–Card Dealer. Jack, an unpopular employee, has been spotted in some secured areas of the casino. Could Jack be a thief or was he tracking one?

Paul Piano–Lounge Singer. Late nights in the lounge leave Paul singing a lonely tune. Trouble is Paul wants something his bankroll can't afford.

Elvis–Impersonator. Impersonations have gotten Elvis far in life. So far that even Elvis' closest confidants don't know who he truly is.

Mimi Martini–Cocktail Waitress. A money-hungry cocktail waitress, Mimi will do anything (and use anyone) to advance herself out of the casino lounge.

Jim Beam– Bartender. Although Jim is known to be a ladies man, lately Jim has been out of luck with love.

Lucy Legs–Show Girl. A cruise line performer who has dropped anchor in Las Vegas, it is no secret Lucy desires to be married to Elvis rather than by him.

Security Sam–Security Manager. Sam polices who goes into and out of the casino and is ultimately responsible for any thefts the casino may incur. Sam's job is on the line if someone is not caught for the recent heists.

Senator Justice–US Senator. As a senator who frequents Las Vegas, this politician has some ties to convicts–but that doesn't make him one!

Jacquelyn Justice–Senator's Wife. A woman who will do anything to save her husband's career, Jacquelyn might just care more about being a senator's wife than she cares about the senator.

Ace High– Gambler. Known for his high bets and his big money, whatever lucky lady lands Ace as her husband will have hit the jackpot.

Hot-Slot Sal– Gambler. Always on a winning streak at the slots, could the casino losses be attributed to Sal's successes?

Full House Frank–Gambler. As one of the wealthiest men in Vegas, Frank feels he doesn't get the respect he deserves. How far will Frank go to get it?

Hustling Hailey–Gambler. Although Hailey has spent much time in the lounge with Paul, her latest conquer has been gaining Ace High.

Colleen Candy–Classy Call Girl. Colleen's clients are plenty and plenty rich. What may be more shocking than who is paying Colleen's salary may be who can't afford the rates she's charging.

Agent Avery–FBI Agent. Agent Avery is here doing a random inspection the casino. If anything goes wrong at the Paramount Casino party, Avery will be the one to take care of business.

Jamie Journalist–Reporter. Jamie needs to stay a step ahead of the rest if they hope to break the story that is about to happen tonight and not to be a victim to it.

HOT-SLOT SAL

As a very valued patron at the Paramount Casino, the largest and grandest casino on the Las Vegas strip, you spend almost all of your free time there. Like other good gamblers, you generally leave the casino with more assets than losses. Unlike most other gamblers, however, you have a foolproof system for winning. Due to your amazing ability to decipher codes and algorithms, you have deciphered each machine's 'random' payout schedule and you "happen" to be at the winning machines at just the right times. Most would call this system cheating, but you consider it skill. The winnings earn you a six-figure salary and you enjoy spending time at the Paramount Casino— it is a hot bed of wagering and social activity.

From time to time, you have ventured over to the poker tables where you were confronted by Ace High, another gambler at the casino. Somehow Ace was aware of your cheating and threatened to expose your secret to the casino security team. In order to ensure Ace's silence, you promised to keep your gambling to the slot machines. Since Ace holds a secret that could ruin your career as a gambler, you would not like Ace to have a reason to expose you as a cheater.

In hopes of forcing Ace out of the Paramount Casino without giving him reason to reveal your secret, you have decided to enlist the help of Full House Frank, another gambler. Frank is also jealous of Ace and the attention he gets from the females and his wealth. Just recently, Frank let you know that a woman left him for Ace High. Although you have never seen Full House Frank with Mimi Martini (the cocktail waitress), you assume that Frank was referring to Mimi since Ace is currently dating Mimi.

Because of the power that Ace holds over you, you have been watching him quite closely. Just the other day, you saw Ace High discreetly give some money to Security Sam (the casino security manager), but you do not know why they were exchanging funds. Ace High has also spent a lot of time with Mimi Martini (a casino cocktail waitress). Considering that the relationships Ace has with the casino employees may have something to do with his inherent wealth and you have considered the fact that you, too, should start befriending the casino employees. Ideally, if you could figure out how Ace stays so wealthy (for you see Ace lose most of his bets at the gambling tables), you may have some pertinent information with which you can blackmail him.

As the Paramount Casino Anniversary Party approaches, you are looking forward to attending! Since you love a good party, this will be the perfect opportunity to mingle with others, gain information and devise a plan to rid the casino of your nemesis - Ace High.

Acting and Dressing Your Part: As a successful gambler at the casino, you specialize in playing the slot machines. You are coming to the party to make some waves and hopefully gain some territory in the casino. Don't forget your coin bucket in which to collect your winnings. *For more information and ideas on how to dress for your night at The Paramount Casino, please see www.nightofmystery.com.
